

4 Easy Steps to Becoming a Vendor

1. GET A NYS SALES TAX CERTIFICATE

YOU MUST HAVE ONE. It is no longer possible to apply in person. You must do it online or through the mail. To do online, go to nys-permits.org, click on Online Applications, click on "Taxation and Finance, Dept. of" (in blue section), click on "Certificate of Authority" on pull-down menu, click (double-click) "OK" on pop-up window, and you'll get to the application. The NIC code to use is 454390. You may NOT work until you have the actual document.

Their toll-free number is 1-800-698-2909; direct number is 518-485-2889. The certificate should look like one of these:

2. Get Your Merchandise Approved

Absolutely NO jewelry -- costume, vintage costume, or handmade -- may be sold by new vendors. Food items are severely restricted. We also need to limit sunglasses, scarves, rugs, handbags, shawls, and soaps sold by new vendors. We must know what you're selling to keep the market at a gently competitive level. Call or email to discuss. New vendors are not guaranteed admission. Counterfeit merchandise is forbidden. *Vendors must notify the market if they want to change their merchandise or they risk being dismissed. No sharing with a 'friend'.*

3. Decide on Size/Type of Space

Prices are valid beginning Oct. 2, 2011
